(a) Sports and athletics are now considered an essential feature of human activity. While sports give shape and strength to the body. They also instill the spirit of discipline and team work. The discipline that is gained in games makes for a life of co-operation and team work which in turn are important in nation building.

(b) My first and fore most advice to you, my son, is to fear Allah. Be his obedient servant. Carefully guarded the rope which connects you with Him for no other connection can be stronger and more durable than this to command greater respect. He who is the Master of death is also the Master of life.

**OR**

Every country has its own local crafts, which exhibit the taste and colour of its region. Pakistan is a country rich in culture. They are the main source of livelihood for the people of the region and were handed down from father to son. With the passage of time, the crafts had access to bigger markets and became more profitable trades.
